SPONSORSHIP PROSPECTUS

WHY SHOULD YOU BE INVOLVED WITH SCA 2025 SYMPOSIUM?

The Society of Core Analysts (SCA), founded in 1986, is a chapter-at-large of the Society of Petrophysicists and Well Log Analysts (SPWLA). The SCA symposium is a four-day conference and exhibition, which takes place annually in different locations around the world with 2025 being its 38th year. The symposium features one short course during the first day and a plenary technical session showcasing approximately 40 oral presentations and 60 posters. The annual symposium has built a reputation over the last 30+ years for its high-quality technical presentations in the area of Core Analysis, as well as for giving the main players in the industry the opportunity to showcase their latest technical innovations and offerings in equipment and services. Technical delegates and service companies will be represented and will share their ideas, innovations, knowledge, best practices, products and services.

The associated exhibition will feature approximately 30 stands. Exhibits will be interspersed with the poster session and break area to optimize interaction between exhibitors and delegates. It is anticipated that 200+ delegates will attend this major core analysis conference and exhibition. A social program has also been included, an Opening Reception on the first day, 25th of August, a Young Professionals event the evening of the 26th, a Gala Dinner on the night of the 27th and a field trip on the 29th of August.

AUDIO / VISUAL SUPPORTER – 1 AVAILABLE (USD \$7,500)

The audio/visual portion of the conference is one of the most important aspects of the program. This support package allows the Society to have an A/V technician manage the presentations during the conference. The sponsor will receive acknowledgement on any signage and materials for the event, within the final program, as well as verbal acknowledgement during the conference announcements.

POSTER PROGRAM – 1 AVAILABLE (USD \$2,000)

Posters will be visible during the three days of the technical program. The sponsor will be acknowledged within the final program, on signage within the poster area and verbally at the beginning of each poster session during announcements.

FIELD TRIP – 1 AVAILABLE (USD \$2,000)

The SCA 2025 field trip will take place at the end of the symposium on Friday, 29th of August. It is an opportunity for delegates to relax, unwind and experience some of the local surroundings. The sponsor will receive acknowledgement on any signage and materials for the trip, within the final program, as well as verbally at the Gala Dinner.

YOUNG PROFESSIONAL EVENT – 1 AVAILABLE (USD \$2,500)

The Society strongly encourages participation from the industry's young professionals. The Young Professionals Event occurs the Tuesday evening of the conference (Tuesday, 26th of August) and takes place at a local venue. Delegates get out and enjoy an evening of socializing and entertainment. The sponsor will receive acknowledgement on any signage and materials for the event, within the final program, as well as verbally at the Welcome Reception as well as during the conference announcements.
